To play "A Frog's Banquet", you will need one set of 54 cards. To print these out as actual cards through "Artscow", please use this link: <http://www.artscow.com/share/A-Frog-s-Banquet-Prototype-oetf3som4kfe>

This link will also be available on the Boardgame Geek as well under the A Frog's Banquet forums.

On the next page you will find the chits and instructions for printing them and the below items.

You will also need the following files that were included with this ZIP file.

# A Frog's Banquet Print and Play Chit Sheet

Step 1) Print this sheet out once on adhesive label paper. Set scaling to None.

Step 2) Using a Stanley knife and metal edged ruler, carefully cut each chit out.

Step 3) Carefully stick onto 20mm wooden blocks (such as from Columbia Games) The blocks can optionally be painted the same colour as the chit's border, but this is not necessary.

Step 4) Spray with matt sealant and allow to dry (optional)

## Printing the Wetlands Playboard, Waterfall Playboard, Scoreboard, 2 Player Event Run & 3/4 Player Event Run Addon

Step 1) Print the sheets out once on photo quality paper using GIMP. Set scaling to None and print "Borderless". Make sure you set the dpi at 300.

Step 2) Using a Stanley knife and metal edged ruler, carefully cut each board out.

Step 3) Carefully stick onto matte board using adhesive spray or double sided tape.

Step 4) Spray with matt sealant and allow to dry (optional)
